## Notice of Public Workshops

The Bureau of Mining Regulation and Reclamation of the Nevada Division of Environmental Protection is proposing changes to the NAC 519A mining reclamation regulations. Workshops will be held August 19th, 20th and 25th, 2008.

The proposed revisions to NAC 519A.185, NAC 519A.275 and NAC 519A.280 provide clarification of surface ownership of lands affected by applications for a reclamation permit. Proposed changes to NAC 519A.350 revise provisions relating to the use of trust funds as surety provided for mining reclamation projects.

The workshops will consist of a brief presentation of the proposal by the Division followed by a question and answer period. Workshops will be held at the following locations and times:
